Pre-Rodeo Activity Starts This Week

Tickets went on sale this week for the Lemon Grove Rodeo which is to be held this year under the sponsorship of the Lemon Grove Chamber of Commerce.

The event will be held at the St. John of the Cross Church Rodeo Grounds Saturday and Sunday, June 18 and 19 at 2:30 p.m.

Ranger Hal of television fame will be grand marshal and such favorites as Edith Happy and Shirley Lucas, trick riders, and Sherman Crane, clown, will be featured.

Bronc busters will vie for money prizes and contest will include bareback riding, team roping, calf roping, buldogging and bull riding.

Advance tickets, which sell for $1, will be applicable on general admission and reserved seats and additionally give the holder of the advance sales stub a chance on the drawing in which an all expense trip to Los Vegas on Western Airlines, and a stay at one of Las Vegas' fabulous hotels, will be the prize.

This will be the fifteenth year for the Lemon Grove Rodeo. It had formerly been presented by the Catholic Church. This year the church will run the Fiesta, a popular event which attracts thousands of visitors to the community from all over the county.

There will be no parade in connection with the show but local businessmen will be required to wear western regalia during the weekend of the event. A sheriff's posse consisting of a rodeo queen, suitably and meagerly attired, will tour the business community in a convertible and assess fines against those who break the "Western Dress" law.

Proceeds from the rodeo will go into Chamber of Commerce coffers to acquire a paid manager. Proceeds from the Fiesta will go to St. John's Church.

Admission prices are: children 50c; Adults, general admission $1.65; reserved seats, $2.20. The rodeo is R.C.A. sanctioned.

The Mason LINE

by Chan Mason

We witnessed a major vicissitude of life descend upon our youngest hopeful this week. The lad is in the fifth grade and this year, suddenly found himself the pitcher on his class ball team. In fact, he had won his first four ball games when the roof caved in and some upstarts from Monterery Heights tagged a rather decisive loss to his record.

This turn of events, naturally, caused a major crisis in the family. The boy was crushed. The old man, secretly said to himself, "It's good for the boy, teaches him to lose gracefully, just don't take it so hard, etc."

But before we uttered these trite inanities, we said to ourselves, "Just what is the normal reaction to a defeat, especially after having battled fiercely and with great competitive spirit?"

Do we want the lad to act as if he were happy to lose so he could congratulate the winner?

We've seen some great athletes cry like babies after losing a toughie and in fact, were so bitter that it wasn't entirely safe to talk to them for some little time after the game. We've seen tennis players act as if they were happy to lose the last point so they could jump over the net to shake the hand of the winner. Yet, we doubt that the happy tennis player was building any more character than the disgruntled athlete.

— ML —

All of which adds up to something most of us have been aware of for some time. Our public school teachers handle countless crises such as the one we have related, every day of the school year, and they do it with the finesse and wisdom that can come only from the background and experience that professional educators can have.

We are happy to see so many young men going into the profession these days and while the satisfaction of seeing their pupils develop into good adult citizens is fine, it isn't the only reward. The pay scale with the unlimited opportunities of advancement have their facets to be considered also. We have Mother's Day, Father's Day and Kids' Day, now how about Teacher's Day?

— ML —

We remember the story of a big brute at the plate and an equally large catcher behind him. The count was one and one. The little runt of an umpire watching the pitch sizzle across the corner yelled, "Two."

"Two what?" snarled the catcher, smashing his mask into the umpire's face.

"Yeah, two what?" growled the batter, raising his bat.

"Too close to tell," came the gentle reply.

PARK GRASS TO BE CUT BY REMOTE CONTROL

Tom Murray, 4020 Paula St., said that he would cut the grass in the park which is kept up by the Business Women's League by remote control Saturday.

Murray is dealer for the E Z Kutr remote control lawn mower, an electronics device which starts, stops, changes direction through a small control box which the operator may use from a remote position.

The demonstration will take place Saturday morning.

NEW OFFICERS TO BE INSTALLED

The newly elected officers of the Woman's Auxiliary of St. Philip's Church will be installed by the vicar, the Rev. J. Phillip Bartlett, at a Corporate Communion at 9:30 Wednesday morning, June 1. They are: Mrs. Harry O. Krumm, president; Miss Rosalie Winkler, vice president; Mrs. B. C. Hesser, secretary; Miss Marjorie Jackson, treasurer; Mrs. W. A. Stark, ways and means chairman, and Mrs. Fred J. Stelzer, chairman of supply.

The next Woman's Auxiliary meeting will be Monday, June 6, at 1 p.m. in the Church Rooms.

The Bishop's Committee will meet at the church Monday, June 6 at 7:45 p.m.

Juniors to Luau Year's Final Project

Mrs. Wm. Miller and Mrs. Ervin Major, pictured above, are modeling what the "well dressed" women will wear, June 11 at Michael's. A luau in true Hawaiian fashion is the last project of the year for the Lemon Grove Woman's Club Juniors. It replaces their former installation dinner dance. Installation will be separate at the Woman's Clubhouse June 7.

Mrs. Miller, chairman of the luau, announces Mike Alesi and his band will furnish the music. Mrs. James Martin is entertainment chairman and Mrs. Philip Titmas decorations chairman.

Mrs. Ervin Major, reservations chairman, advises that reservations be made early, as a limited number of bids are available. Deadline for reservations will be June 8 for the Juniors and guests. Call Mrs. Major, HO 6-7171.

The Dimmer VIEW

By MAX GOODWIN

One of the more distressing facets of Southern California living is that many of its residents are afraid of the government they spend their money to support.

A man who makes his living in the building industries trade recently told me he would not make a formal charge in what he considered a wrong by the building department because "they would put me out of business."

It is disturbing to find that such fears exist, whether they are justified or not. However, fear of local government is more widespread than most of you realize.

An example of recent date is a family which rejected the opportunity to sign a recall election petition on the irrigation board member. They were afraid that retribution would be fast and horrible. Their inference being that such an action would be an invitation to increased assessed valuation of their property.

In another case, a well-to-do individual did not contest an action by the board of supervisors in regard to his property because he "didn't want to stick his neck out."

In my opinion, this is the type of thought control brought on by the people themselves. It stems from listening to the advice and guidance of some unknowledgeable friend or neighbor. Still, it is as effective a bit of "thought policing" as you'd want to find.

It was in Nazi Germany, in Soviet Russia and totalitarian Japan that "thought police" were the order. It kept the miserable taxpayers in line. As you recall, there was no opposition to "thought control" . . . there could be none. There were only thought police and miserable taxpayers.

While it might serve the purpose of some of our officials to allow the belief to exist that there is liability if you oppose, I can assure you that such need not be the case. However, it is NOT the case only in ratio to the amount of gumption local newspapers use in exposing the threat of such control.

These stray thoughts on this subject won't put much hay in the barn in reducing some citizens' belief that the threat is real. For those who fret and worry that the threat of governmental retribution is real, let them take heart in my promise that if and when I find it, I'll advertise it in the columns of this newspaper.

GIRL SCOUTS SPEND WEEKEND IN BORREGO

Girl Scout troops 552 and 334, Monterey Heights, traveled to Borrego Park last week for a weekend outing. In all, 33 girls made the trip. They will make another such trip in October.

Some people would rather go broke than not go at all.

Mrs. T. Magnusson, 2828 Massachusetts, retiring head of San Miguel P-TA, pins the president's pin on Mrs. H. D. Pendergrass, 2591 Bonita, in the final meeting of the group last week.

San Miguel P-TA held its last regular business meeting of the season 1954-55 Thursday evening in the Cafetorium of the school. Mrs. V. E. Jaquith, historian, reviewed for the members the many activities which had been sponsored by or participated in by them.

Mrs. H. D. Pendergrass, the incoming president, gave a comprehensive report on the recent state convention held at Los Angeles. She succeeded in firing her own group with some of the enthusiasm imparted to her at the convention. The Glee Club of San Miguel, under the able direction of Miss Martha Samels, provided spirited entertainment, and Mrs. Adams, Girl Scout Troop 896, presented the complete flag ceremony.

Alvin Wright of the U. S. Forest Service showed a film which graphically illustrated his talk on camping and conservation. He concentrated his information on our local areas of public camp ground but assured the audience that any information they desired regarding the national parks could be obtained from the local office of forestry service. Mr. Wright is a member of San Miguel P-TA, having two children in school, Daniel and Martha.

The installation of new officers highlighted the evening. Red and white, the San Miguel colors, were used throughout the decor, even including the beautiful corsage of red and white carnations made for the new president by Mrs. Lucille Taylor. Mrs. Arthur Thomas played the piano while incoming officers marched up the

Grossmont Hospital to Take in First Patient August 1

Lemon Grove residents will have an opportunity to see the Grossmont Hospital ready for operation during the dedication program scheduled tentatively for Sunday, July 24 at 2 p.m.

During the week of July 24 to 29, open house will be held each day from noon to 5 p.m., with visitations by doctors during the morning hours. It is expected that the hospital will be ready to receive its first patient on August 1, Louis M. Peelyon, administrator, told the board. This date will be moved, however, he said, if there is any question in his mind or on the part of the medical staff as to complete readiness of all facilities.

Appointment of department heads was completed when the board approved Peelyon's recommendations for dietician, pharmacist and radiologist.

Richard S. VanDusen, 8338 Lemon Ave., La Mesa, will be in charge of the pharmacy department.

Dietician, in charge of planning and preparing an estimated 9000 to 10,000 meals per month, will be Mrs. Mabel S. Rice of 1535 Lexington Ave., El Cajon. A graduate of the University of Missouri, Mrs. Rice received additional training in hospital dietetics at the Walter Reed Hospital in Washington, D. C., and has been on the staff of Letterman Hospital, San Francisco, Mercy and Children's hospital, San Diego.

Radiologist will be Dr. J. C. Flaniken, graduate of the University of Tennessee, member of the American College of Radiology, and until recently on duty with the Navy in radiology work at Oceanside and Twenty Nine Palms, California. This was Dr. Flaniken's second tour of duty with the Navy, having previously served at the U. S. Naval Hospital at Pensacola, Florida, and at Millington, Tenn.

Incumbents Voted Back to School Board

Low interest in the elementary school board election last week accounted for only slightly more than 500 votes being racked up for the entire slate. Bert Cosby and Robert Brown were retained on the board.

There were no issues involved and only the incumbents filed. Mrs. H. T. Espe, president of the San Miguel P-TA in 1952 and 1953, ran third after more than 100 voters had written her in. Because two positions were to be filled, and because the total votes of the remaining candidates did not amount to as much as the total acquired, it appears that those writing in for Mrs. Espe did not vote for another candidate, thus keeping the total low. Dr. David Wilhite, Lemon Grove physician, chalked up one vote, it also being written.

Unofficial totals are:
B. Cosby—270
R. E. Brown—152
Mrs. H. T. Espe—103
D. Wilhite—1

Lemon Grove Teachers to Get $300 Boost in Pay

Increases up to $300 will be included in teacher contracts for next year as a result of action taken by the school board Monday evening at the Lemon Grove Education Center. The 1955-56 salary schedule adopted for the teaching staff provides for an increase of $100 for faculty members holding an AB degree plus fifteen units; $200 for those with 30 units beyond their degree; and $300 for those teachers with Master's degrees.

The new schedule sets the maximum salary for classroom teachers at $6100, a $300 increase over last year. No change was made in the minimum starting salary which remains at $3700.

At the same time a seven-step schedule for principals was adopted, based on 1½ times the teachers' salary policy. An anniversary increment was also added to the overall schedule. This would permit an increase of $250 to a teacher's salary, provided that teacher had served in the district five years after reaching the tenth or last step on the schedule.

The preliminary financial budget was presented to the board members, along with a budget policy statement and supporting data regarding costs. Reviewed briefly, the budget will be scrutinized further before presentation to the county office. The members, however, did express an intent to continue with the summer recreation program as a community service. Louis Poluzzi will act as director.

A deed of dedication was signed, selling to the State Highway Commission a strip of land near Olive Street for $100, plus $25 advertising expenses. The strip, 16 feet by 192 feet, was part of an original plot purchased years ago for a school for Spanish speaking children. This plan was abandoned, and the land sold. Through an error in description, a land-locked portion with no frontage was never sold by the school district. The strip will now be utilized in freeway plans.

Board members considered the estimates for comprehensive liability and automotive insurance confidentially, and voted to put these out to bid. Those eligible to bid must be real estate brokers or agents in Lemon Grove who have lived here at least two years, been in business here at least two years, and pay taxes on real property in Lemon Grove.

As soon as specifications have been drawn up by Paul Reynolds, business manager for the school district, the policies will be put to bid. All this insurance must be bid and let, and the policies written, before July 1.

Board members in attendance included Frank Armstrong, Robert Brown, Bert Cosby and Channing Mason. The next meeting of the board will be June 13.

Local Fight Forming on Assembly Sanitation Bill

A public meeting has been scheduled by the Mountain Valley Taxpayers Association for Wednesday, June 1 at 8 p.m., to discuss Assembly Bill 1401.

The bill would permit a district to issue temporary negotiable notes, payable from taxes to the extent of one per cent of the district's assessed valuation, or $500,000 or whichever is the lesser amount. Maturity would be in three years.

The MVTA group opposes the bill on nine counts. They claim:

1. It denies the voters a voluntary choice of additional taxes;
2. It changes the democratic principles of residents of the district voting the issue;
3. It denies a test by vote on issues;
4. It could be used to defy the wishes of the property owner and taxpayer;
5. It is another step toward arbitrary government;
6. It allows for additional taxation in a sanitation district where the intent for a tax limit may have been planned at the offset;
7. It will effect adversely the forming of other sanitation districts;
8. More local taxing agencies would dry up the reservoir of money available for state and federal tax use;
9. The sponsors of the bill do not appreciate the far-reaching effects of legitimatizing such a fundamental change in tax laws.

The bill was introduced by Ernest R. Geddes, a general contractor of Napa.

Your Invitation To Good Reading

We invite you to take a moment and read the Mason Line this week.

Channing Mason, the editor of the column, has the happy faculty for touching the heartstrings and the funnybone, all in one sweep of the typewriter.

His column today is one of the finest examples of this. We encourage you to read it today and every week.

So sound and interesting is his philosophy that the Los Angeles Times, in a section reserved for the nation's most interesting columnists, frequently reprints Mason's homily and whimsy.

The Helix varsity 11 has (by coincidence) 11 returning lettermen, including eight linemen and three backs. The Highland pigskin (or leatherskin as the case may be) scrappers have plenty of beef, height and speed. The varsity five has six returning giants, packed with experience. All but three first-stringers are coming back in the varsity nine. And the ever-improving and growing track squad should multiply its numbers with some goodly talent. So chances are the Highland sports scene will be a happy scene.

Forrest Dokken, your local telephone manager

John Page, Your New Foreman

"Once a telephone man, always a telephone man," says John D. Page, Sr. All of his twenty-one years with the company have been spent in the Plant Department as installer, lineman, deskman and now installation foreman. In his new capacity, he will head the installation forces in the La Mesa, Lemon Grove and Spring Valley areas. He started his career with the Mountain States Telephone Company in Colorado and in 1941 he came to Oceanside and from there to San Diego. He lives with his wife and two sons at 6250 West Manor Drive, La Mesa. John is active in Masonic Lodge affairs.

How many parts make a telephone?

If you were to count the parts in a telephone, you'd find an almost unbelievable number. There are 433 of them, all told. Many of these are complex and precision made. Yet the telephone is rugged. On the average it needs fixing only once in about six years. And telephone people have worked out ways to make telephones at surprisingly low cost. These things help us keep telephone service a good buy for you. Pacific Telephone works to make your telephone a bigger value every day.

Good way to start a vacation

This is the time of year when many folks start thinking about time off for a rest. And here's a tip that'll help make your vacation even more enjoyable: Before you leave, or while driving to your overnight stop on a long trip, why not call ahead for hotel or motel reservations. That way you'll make sure—in just minutes—that the rooms you want will be waiting when you get there. And the cost is low. In fact, you'll be surprised how far you can call for less than a dollar. So why not take advantage of bargain long distance rates to have the peace of mind that'll make your whole trip more fun.

George Casteel, Recuperating, Takes Long Auto Trip

His wife is making the trip by auto, with him.

Douglas Bwy is Finalist in Newspaper Sponsored Contest

Douglas Bwy, 17-year-old Helix High School senior, was notified this week that he has been chosen as a finalist in the competition for a $1250.00 Los Angeles Examiner-sponsored scholarship to Pepperdine University.

Bwy, the son of Mr. and Mrs. Albert Bwy, 8409 Imperial Ave., was selected over more than 700 other boys in the Examiner's Scholastic Sports Association, for which Doug has been a student reporter.

For the final decision he is to write an essay entitled "Why San Diego is My Favorite Ball Club." A transcript from Helix is to be sent to the Examiner along with a letter of recommendation from his principal, Benton Hart.

Doug says he has strong hopes of winning the award, but realizes there will be many good students participating against him.

HELIX JOURNALISTS COP FIRST PLACE

Helix High students took first places in four of five divisions to win sweepstakes honors at State College's annual Journalism Day competition held last Friday at State College.

Helix tallied 14 points, with runner-up Escondido nabbing 9, and Academy of Our Lady of Peace and Hoover tied for third with six points.

Roger Conlee, Helix sports editor, was the day's only double winner, copping a first in sports and news writing.

The guest speaker for this Journalism Day was Hubbard Keavy, Associated Press bureau manager in Los Angeles, and Pliny Castanien, police reporter for the San Diego Union.

The program was sponsored by the college journalism department and Alpha Phi Gamma, campus journalism fraternity. Some 200 students from schools throughout the county competed.

Results:

Copyreading — Dave Harrison and Grace Kellock (Helix), first and second.

Sports—Roger Conlee (Helix), first.

Society—Joan Hale (Helix), first.

News—Roger Conlee (Helix), first.

Doug Bwy is the Highland Fling editor and Clovis Hill is the advisor.

BUSINESS WOMEN'S LEAGUE TO DROP NOON MEETINGS DURING SUMMER

Mrs. Calvin Nichol presided at the regular luncheon meeting of the Lemon Grove Business Women's League at Michael's Thursday.

During the business session the group voted to dispense with league luncheon meetings during the months of June, July and August—dinner meetings will be held as before, the first Thursday of each month.

Mrs. Paul Louer, league representative on the Swimming Pool Committee, gave a report on the carnival held for the benefit of the pool fund.

Mrs. Paul Harvey was appointed the new representative to the Lemon Grove School District Advisory Board, and Mrs. Alfred Rice to represent the league in the Naval Hospital Red Cross Council.

Mrs. Bruno Leonesio, beautification chairman, reported that planting on the Northwest Plaza would take place in the very near future, as soon as the sprinkler installation was completed.

Various special committees of the Business Women's League and their representatives include:

Lemon Grove School District Advisory Board—Mrs. Paul Harvey.

Grossmont High School District Advisory Board—Mrs. C. Forrest Baxter.

Youth Center Control Board—Mrs. Wayne Johnson (also treasurer of the board).

Lemon Grove Recreation Commission — Mrs. Evelyn Adams (secretary of the commission).

Red Cross Council Naval Hospital—Mrs. Alfred Rice.

Swimming Pool Association—Mrs. Paul Louer (secretary of the association).

Civil Defense — Mrs. Joseph Woody.

Dr. Nicholl Attends Visual Forum At Pasadena

Dr. Calvin Nicholl, prominent Lemon Grove optometrist, and secretary of the San Diego County Optometric Society, attended the seventh annual Visual Training forum at Pasadena, April 24-25.

"The forum was very instructive, as it emphasized the testing and training of children with special attention to the pre-school age," said Dr. Nicholl.

Last Saturday, he attended the spring educational seminar of the society at the San Diego Gas and Electric Building, when Dr. Robert Graham, of Pasadena, nationally known authority on contact lenses, was the chief speaker.

SportsRoundup

Grossmont catcher Allen Hall slammed a two-run homer in the opening frame of a Grossmont-Helix varsity baseball tangle, and with that blast that was all Grossmont needed in order to best Helix, 11-2. That game also closed the Metro League baseball season. Another game held last Friday was the Chula Vista-Sweetwater fray that saw the C. V. Spartans win, 5-1. But back to the Grossmont slaughter. Lynn Aase, Helix's opening pitcher, hit a solo home run for the losers in the third inning but it was all to no avail in halting the Foothillers' drive toward their eleventh victory in 12 outings. For Helix it was two runs, seven hits and one error. For the winners it was 11 runs, 13 hits and one error. The losing battery was Aase, Bates (4) and Rudzinski. For Grossmont it was Williams, Fenn (8) and Hall.

Final Metro League Baseball Standings: Grossmont (11-1), Chula Vista (9-3), HELIX (6-6), Sweetwater (2-10) and Mar Vista (2-10).

On the local prep tennis scene, the school that features tennis as its main sport, St. Augustine, nudged Helix last Wednesday, 4-3.

Sport Shorts: San Diego High School won the City League baseball penant, with an 11-1 reading. Hoover was second with a 10-2 mark. . . . Helix High took top honors in the Southwest Pacific Border Association AAU track and field meet last Tuesday night in Balboa stadium. Helix tallied 31 points, runner-up was Chula Vista with 25 digits. . . . Class B pole-vaulter Bill Hammond, Grossmont, set a new SCIF class b record of 12'11" at Huntington Beach last Tuesday. . . . Also in Tuesday's high school semi-finals track-fest, Grossmont miler Rene Rogers ran the mile in 4:21.7. The state record since 1934 is 4:21.2. . . . Eighteen-year-old Charley Dumas, Centennial High School Negro high-jumper, recently leaped 6'10".—B. T.

Local Man in New Air Squadron

A Lemon Grove attorney is one of the ten lawyers making up a new squadron of the Volunteer Air Reserve.

W. Earl Smart, Captain, U. S. Air Corps Reserve, said that the 9347th Volunteer Air Reserve Squadron opened for general training in February of this year.

The reservists are studying J.A.G. mechanics and responsibilities, as well as the new uniform code of military justice. Captain Smart, from Keyport N. J., flew 50 missions as a B-17 Flying Fortress bomber pilot in the 99th Bomb Group, North Africa. After World War II, he obtained his law degree from Southwestern University of Law at Los Angeles in 1950 and practiced law in the Los Angeles area until October, 1954, when he moved his law office to Lemon Grove.

More Cooperation Asked for Merchants' Division

A plea for more local businesspeople to subscribe to the advertising fund of the Merchants' Division of the Chamber of Commerce was made this week by Ben Edens, a lighting fixture business proprietor, who was appointed to head a committee to publicize the need.

"We need $2,000 to advertise Lemon Grove during a proposed four month program," Edens said. "Already some 64 business people have contributed $640 to the fund. We need 136 more who realize how vital such advertising is to the continued business growth of this community."

Edens said that all persons in business are invited to participate. He said that interested persons may get additional information from Abe Goldberg, chairman of the division; Robert Vaught, secretary, or Ted Skelley, treasurer.

The next meeting is scheduled for June 6 at the Justice Court.

Prizes in Sewing Offered at Del Mar Fair

Valuable prizes at local and national levels are offered to housewives interested in taking advantage of the re-use values of modern cotton packaging at the Southern California Exposition and County Fair at Del Mar, June 24 through July 4. Entries in this competition as well as most departments of the fair must be filed on or before June 1.

Some thrifty homemaker with an eye for fashion as well as budget will receive a Pfaff electric porfable sewing machine and the right to compete for the national title of Cotton Bag Sewing Queen in Chicago, November 15.

Cash prizes will be awarded for dresses, shirts, pajamas, curtains, blouses, stuffed toys, luncheon sets, and quilts made from the colorful containers of feed, flour, fertilizer, sugar and other farm and home products.

The contest is sponsored by the National Cotton Council and the Textile Bag Manufacturers Association.

Sewing will be judged on the basis of originality, workmanship, appearance, and suitability of finished articles.

A cotton bag sewing queen and two alternates will be selected from the winning fair entries in Chicago. This top sewing trio will win for themselves and escorts an expense-paid week's vacation in Chicago.

PLUMBING AND HEATING
10016 Campo Rd. HO 6-0117
Spring Valley, Calif.

Jessie VanLandingham, 9030 Birch, S. V., service representative in the La Mesa business office, makes one of the last calls from a list of subscribers with outdated telephone numbers on their stationery, trucks, brochures, etc. Local telephone employees are stressing the point that the old numbers are of no value to anyone.

A program to help La Mesa telephone users help themselves has been stepped up by local telephone employees.

Manager Forrest Dokken said telephone users here are still making around 5,000 dialing mistakes daily, or five percent of their total calls. He believes many subscribers still haven't adjusted their dialing habits to the new prefixes and seven digit numbering that were introduced here in January of last year.

"Subscribers suffer the most from incomplete calls," he said. "Dialing irregularities generally do not reach an operator."

He said the problem actually goes to the principal of being good neighbors. The local figure is two and one-half times higher than before the number changes.

"When you break it down," Dokken said, "we've had over 2,000,000 dialing errors since the cut-over. Chances are practically everyone has unintentionally been awaked in the middle of the night, many people a number of times.

"We generally find that when we talk about wrong numbers, most people think we aren't talking to them, but that it's always the other person who makes the mistakes," he said.

Company charts show most everyone is equally guilty. The old timer has just as much trouble with what he calls "fumble fingers" as the newcomer.

Employees have submitted lists of firms with old numbers on their brochures, business cards, or trucks. Service representatives have telephoned most of these persons, and pointed out that the old number is of no value to anyone.

He suggested three basic steps to good telephone usage:

1. Look up all numbers that you are not sure of in your telephone directory.
2. Before dialing, jot the number down. With the number before you, when you dial, you will save time and the embarrassment of wrong numbers.
3. Listen for the dial tone, then carefully dial the first two letters and the numeral in the prefix, followed by the remaining four digits in the number.

Appreciation Luncheon Given for Mrs. Alexander

Annual "Appreciation Luncheon" of the executive board of the Vista La Mesa Parent-Teacher Association is taking place Thursday (today). The scene of the luncheon is the Bali Hai Restaurant on Shelter Island.

This luncheon is to show admiration shared by the board as a result of their years' experience under the aegis of their president, Mrs. R. C. Alexander.

Mr. and Mrs. Alexander and their two children reside at 3911 Massachusetts St. They have been residents of Vista La Mesa for four years, and she has been active in Girl Scouts and Parent-Teacher work.

Mrs. Alexander is being presented with a gift in remembrance of the executive board of 1954-1955.

YEAR'S WORK REVIEWED BY WOMAN'S JUNIORS

By MARTI TITMAS

The May 25 meeting marks the close of a very successful year for the Lemon Grove Woman's Club Juniors. Many new members were added to their number. The most exciting among them was their adopted daughter, Samira Raridi, from the Christian Approach Mission in Jerusalem. Awards were won at both the district and state conventions. Help was given the Swimming Pool fund with the proceeds from their fashion show. All in all everyone is looking forward to a rest this summer before starting a bigger and better year next fall.

Mmes. Ralph Kraft, Bert Betts, Tom Mitchell and Lee Notingham received certificates and corsages for perfect attendance during the past year, presented by Mrs. Billy Castle, membership chairman.

Mrs. Bert Betts, chairman for the Juniors' installation of new officers, June 7, 8 p.m. to be held at the clubhouse, announced the "old" board would be hostesses and Mrs. Le Roy Scagliotti, president of the County Federation Junior Membership, would be installing officer.

Don't forget June 11, the Hawaiian luau, to be held at Michael's, 8 p.m. Mrs. Wm. Miller is chairman. Mrs. Ervin Major, HO 6-7171, is reservations chairman.

The "going out" or graduation luncheon this year is under the chairmanship of Mrs. Herbert Johnson; Mrs. Dean Cromwell, HO 6-7924, reservations and Mrs. Fred Gurney, decorations. The Town and Country in Mission Valley will be the place; June 18 the date. Again this year it will be a combination luncheon with both the Juniors and Seniors participating.

SAN DIEGO WRITERS TO MEET WEDNESDAY

The Writer's Club of San Diego will hold their regular monthly meeting Wednesday, May 25, in the Woman's Clubhouse, Third and Maple Avenues, San Diego. Sandwich lunch at 12:30 p.m., followed by a program at 1:30 p.m.

JUST TOO TIRED TO KEEP THE PHOTO CONTEST RUNNING

This is the final competition in the current Review-Lemon Grove Camera Shop Photo Contest and the winning picture illustrates pretty well how the judges feel after more than two months of competition.

The winning picture was entered by Jack Sanpier, a 15-year-older of 4151 Citradora Drive, Spring Valley. Jack wins a glass casting rod from Erv Brandon's Sporting Goods store on Broadway.

Winner of a canned ham from Buddy's Food Market is also a teenager, John Walter, age 17, 8638 Troy St. He submitted a picture of a goat jumping a fence.

Mary Shead, 4378 Elma Lane, La Mesa, is the winner of two dinners at Pal's Cafe with a picture of two dogs.

All contestants receive an enlargement of the picture entered in the contest and each gets a certificate of merit from the Lemon Grove Review and the Camera Shop.

Another series of contests is planned for later in the year, according to Robert Vaught, camera shop operator.

MEMORY GARDEN SUGGESTED FOR MEMORIAL DAY ACTIVITY

An appropriate Memorial Day suggestion has been advanced by Mrs. Arthur Savage, co-chairman of Grossmont Hospital Women's Auxiliary's garden committee, of which Mrs. S. P. Thacher is chairman.

"For years," said Mrs. Savage, "we have been sending money to florists back east, for flowers to be placed on family graves at Memorial Day. This year, my son said, 'Why don't we use the money for a memorial in Grossmont Hospital's Memory Garden? Not only will we know what we are getting; but, the tree or shrub will not fade as flowers do, but will grow in beauty from year to year.' I agreed with him," continued Mrs. Savage, "and it occurred to me there must be many others in our hospital district who have a similiar problem and would be grateful for the suggestion.

Reservations in Grossmont Hospital's "Memory Garden" may be made with the garden chairman for each area, as follows: La Mesa, Mrs. E. B. Blossom, HO 6-3571; Grossmont, Mrs. George Harbs, HI 4-7304; Fletcher Hills, Mrs. William D. Thomas, HI 4-6384; El Cajon, Mrs. A. J. Monteverde, HI 4-7560; Lakeside, Mrs. L. W. Kimsey, HI 3-1808; Lemon Grove, Mrs. S. C. Brumbaugh Jr., HO 9-1120; Spring Valley, Mrs. R. E. Scheerer, HO 6-5608. Residents of the Alpine and Jamul areas should contact the area chairmen, who are, respectively, Mrs. L. E. Carlson, HI 5-2183, and Mrs. George Genard, HO 6-2364.

FAIR PRIZES TO TOTAL $109,000

Entries will close June 1 for six of the ten major divisions and all Future Farmers of America and 4-H divisions of the Southern California Exposition and County Fair, secretary-manager Paul T. Mannen announced this week.

Exposition officials also announced June 15 as the deadline for reduced adult admissions of 50 cents. These can be purchased at all local Parent-Teacher Association units.

June 1 deadlines include livestock, agriculture and horticulture, floriculture, home economics, bees and honey, and gem and mineral divisions.

Other entry closing dates are June 8 for light horses, June 10 for poultry and pigeons, June 15 for dairy products and June 20 for rabbits.

The Southern California Exposition is offering $109,000 in prizes, which exceeds last year's figure by $9,000.

Write or call Entry Department, Southern California Exposition and County Fair, Del Mar, California, and be sure to state which division you wish to enter. Different judging sheets are assigned the various divisions.

Entry forms and entry fees when required must be received by the entry department no later than the specified entry closing date.

Wrong Standing Given in Rec. Programming

A contingent of baseball players, all members of the sixth grade San Miguel team in the Lemon Grove Recreation League, visited the Review office last week with fire in their eyes.

Daniel Hopper, 3224 Massachusetts Ave., spokesman for the team, explained that the Review had published the league's standings incorrectly. Instead of having a record of no wins and three losses, the team actually had three wins and one loss. That put them in second place instead of last place.

To the men of the San Miguel Sixth Grade team the Review gladly publishes this correction and apologizes for "sloppy" reporting.

To Louis Polluzzi, who was the reporter in this case, the Review promises "a trip to the moon."

S. V. YOUTH KILLED ON FREEWAY

A Spring Valley youth, discharged from the service earlier this month, was fatally injured Thursday night when his car flipped over on Alvarado Freeway.

Charles E. Phemister, who lived with his uncle James Alvey, of 10350 Del Rio Road, Spring Valley, was one of six passengers involved in the accident.

The auto flipped one mile east of College Street and landed on Phemister. The other five youths were hospitalized. Phemister will be buried in his home town, Odessa, Texas. Conrad Mortuary handled the arrangements.

The youth is survived by his parents, Mr. and Mrs. Tommy Phemister, and a sister, Patricia Mae.

Delphians to Consider 'East's Thinking'

Alpha Beta Chi Chapter of Delphians will discuss "Thought Ways of the East" at Hilltop Chateau, Lemon Grove, Tuesday, May 31, at 10 a.m. Mrs. W. A. Thomas will open the program, and Mmes. C. A. Patterson, A. P. Schnell, L. D. Newton, David Hentigan and Milton Kelley will lead in discussion.

Election of council officers preceded the spring luncheon of Delphian Society. Mrs. Milton Kelly, president of Alpha Beta Chi Chapter, was elected to the office of recording secretary. A group from the chapter enjoyed the 12:30 p.m. luncheon at Mission Valley Country Club Wednesday. The program theme was "The Integrated Woman." Toastmistress, Mrs. V. M. Strawn, introduced Dr. Viola M. Frymann who spoke on "Voice and Speech" and Edith Antelline who demonstrated a "Five Point Program for Beauty."

Mrs. Lowell Peterson, retiring president of the assembly, introduced newly elected officers. Mrs. R. H. Roloff, president, responded with optimistic greeting to all Delphian chapters.

'Platter Parade'

Ratner Recommends . . . the following two platters: "Slue Foot" by Ray Anthony, from the movie "Daddy Long Legs." Also "Two Lost Souls by Perry Como and Jaye P. Morgan.

Top Five Tunes . . . as compiled by Ratner Electric, Eighth and Broadway in downtown San Diego. "Unchained Melody" by Les Baxter. "Unchained Melody" is from the movie "Unchained" that stars Elroy "Crazy Legs" Hirsch, ex-Ram football star. The second tune is, yeah, you guessed it, "Ballad of Davy Crocket" by Fess Parker. "Cherry Pink and Apple Blossom White" by Perez Prado is the third most popular song. The next two in order are "The Breeze and I," Katarina Valente and "Two Hearts, Two Kisses" by Doris Day. Leading classical record: Beethoven's Piano Concerto No. 5—Edwin Fischer. Top jazz record: "Jay and Kai" by J. J. Johnson and Kai Winding on the Prestige label.

—Jazz Specials . . . Here are a list of Decca's best selling jazz LP's: "Jazz Studio 3," John Graas and Gerry Mulligan; "Just Jazz—Gene Norman Presents," Lionel Hampton and All Stars; "Jazz Themes from 'The Wild One,'" Leith Stevens; "Jazz Studio 2"; "Satchmo at Symphony Hall," Louis Armstrong.

Best in Classicals . . . Here are the best selling classicals across these United States: Offenbach: Gaite Parisenne; Meyerbeer: Les Patineurs. Dvorak: Symphony No. 5. Brahms: Violin Concerto. The Art of the Organ. Respighi: Pines of Rome; Fouutains of Rome.

Pop Album Review . . . "Johnny Maddox Plays Crazy Otto." Juke box operators using EP's will find this album an attractive waxing, for the four tunes — "Crazy Otto Medley," "Down Yonder," "In the Mood" and "Eight Beat Boogie." The market, at present, is hot for this type of off-key piano melodies.

!THE SHOW'S THE THING!

Those of you who read Costain's "The Silver Chalice" will find the screen version of it good but lacking with that — something! "The Silver Chalice" just opened this Wednesday, May 25, at the Grove Theatre.

The film is based on the book and revolves around Paul Newman, a young Greek artist who is commissioned to fashion a cup of silver. The struggles to produce the masterpiece and then protect it from attempts at destruction by Simon the Magician (skillfully acted by Jack Parlance), provide the action and plot of the film. The dramatic highlight of the movie is provided by Newman and Pier Angeli, as they meet and fall in love under peculiar circumstances. An exotic slave girl, Virginia Mayo, interferes and trouble and jealousy brews post-haste. "The Silver Chalice" is a fairly good movie but doesn't compare with "The Robe."

The companion feature for Wednesday's billing is "The Big Combo" starring Cornel Wilde and Richard Conte. This movie plays up gangsterism but the plot and action are superb. Jean Wallace, the racket boss's gal, portrays a refined and beautiful girl who loves the supposed heel of the movie. Conte is the blood-chilling boss and Wilde a stubborn police lieutenant. "The Big Combo" is full of sock, shock and blood 'n thunder.

"WAC from Walla Walla" starring Judy Canova is the main feature for the Saturday matinee. The co-feature for the kids is Bill Elliot in "Son of Davy Crockett," plus the usual cartoons and serial.—B. T.

New Yellowtail Derby Starts In San Diego

San Diego's newest yellowtail fishing derby gets underway this week with the launching of the 4A Yellowtail Round-Up.

Prizes include a new outboard motor, rods, reels, and line totaling a value of around $500. Prizes are on display at Fourth and A Streets.

The rules and format are similar to the San Diego Junior Chamber of Commerce $25,000 Yellowtail Fishing Derby, and all entrants in the latter event are eligible to compete for prizes by presenting their duplicate weight certificates at the 4-A Round-Up.

Anglers fishing from private vessels, not registered for the Junior Chamber derby, will be eligible for competition in the 4-A Yellowtail Round-Up, and will be supplied with individual weight certificates which must bear the skipper's name; that of a fellow angler who is not participating in the contest; and the signature of the Junior Chamber of Commerce Yellowtail Fishing Derby weightmaster.

There is no fee, obligation, nor age limit for entry in the 4-A Yellowtail Round-Up either for prize eligibility, nor for queen. A queen will be selected and will receive a two-day, all-expense-paid, vacation at an Ensenada resort following the final fish-off, Derby Day, July 2.

FROM MAYFAIR'S PRESIDENT

A Holiday menu a generation ago would have included fried chicken, sandwiches and lemonade. Mayfair's holiday ad still features these items, but what a difference! Now fryers are ready to barbecue . . . you just add water to lemonade concentrate . . . and sandwiches are prepared from ready-made spreads on pre-sliced bread. Yes, you can now enjoy a real holiday with no fuss or bother.
